

School Action Plan: Simple and Easy

Are you looking for a simple way to integrate some of The Wealth Academy's financial life skill resources into everyday school life?

Here is a set of actions that could be implemented by a teacher-aide, school chaplain, community liaison officer or parent volunteer within the school.

Actions

- **Teenfinca®** Print 10 copies *per issue*
 - Place 2 in school reception; distribute 7 into various rooms (school library, specific classrooms, home rooms, business classes ...)
 - Place 1 in staffroom for teacher perusal
 - When each issue is published, an electronic copy is placed on the school website (or Facebook page) somewhere for community download access. The school newsletter should inform the community of this access.

- **Posters** Make an A2 and/or A3 copy of each (or specifically chosen) eposter/s given to school when the ezine arrives (They are emailed to the school at the same time!) – laminate each eposter and store where appropriate
 - Place 2 eposters in different spaces within the school where students have ready access; change the eposters every 2 weeks
 - Place 1 eposters in staffroom to remind teachers of these resources. Change regularly.

- **School newsletter**
 - Provide each terms newsletter inserts to the appropriate person who puts together the school newsletter; ensure this person has the necessary partner logos (if the school has partners)
- **School website**
 - Recognise your partners under the Community section of your website (if you have partners). Remind parents of their access The Wealth Academy's parents' webpages.
- **School captains**
 - School captains talk to an article and/or eposter from the ezine once per month on assembly. This also promotes the ezine to all students on assembly as well as parents, etc.
